

Village of Schoharie Workshop Session 3/25/2026

In attendance:

Darlene Patterson, Glenn Patterson, and Diana Bell Jackson

Meeting called to order at 4:03 pm

Darlene Patterson representing Schoharie Promotional Assoc. presented her proposal of hanging “winter décor” on utility poles from Spring Street southbound on Route 30 to Bridge Street within the village limits. Darlene indicated the Village needs to be the entity that requests this from National Grid. Darlene included in her proposal the costs associated with this endeavor for electricity and the association will pay for any upfront fees and install costs.

The Mayor asked for the number of poles involved (identify the poles) and will complete the application process on behalf of the association.

The board discussed the recent emails from the County Civil Service department in regard to “titles” of the DPW employees, this is an ongoing conversation for adhere to NYS regulations.

The justice audit is scheduled for April 8 as per regulation

The bidding process has begun for the Parrott House fire suppression main and the bidding ends April 22, 2026, and scheduled to review on April 22nd at 2:30.

326 Main St property owner appeared in village court to answer for disobeying court order; he is to appear again on April 20th.

Notification from the NYS HCR, de-obligation from the trail grant and the distribution of \$45,000.00 from the state back to the village for costs incurred.

Meeting adjourned at 5:35 pm

Respectfully submitted, Mayor Colleen M Henry
