

Schoharie Hometown Hero Banners

Schoharie is a place that several men and women who currently serve or have served our country call home—where they all deserve to be honored for their bravery and courage. We can't repay those men and women who put their lives at risk to protect our families and communities. However, it is our responsibility to recognize them as our hometown heroes!

Our mission is to honor our hometown heroes who have made sacrifices, many unseen and untold, to secure our freedoms by featuring them on custom banners throughout the Village of Schoharie, NY.

Our efforts extend to the purchase, installation, and maintenance of the custom banners, as well as purchasing assistance to those interested in recognizing a local hero.
